You are responsible for all deductible, co-pays, non-covered services, co-insurance, and items considered “not medically necessary” by your insurance company. **Your insurance plan** may require that you pay co-payments and co-insurance amounts on the day of your appointment. If we are asked to bill you for your co-pay, there will be an additional \$10.00 charge. The remaining balance must be taken care of within 30 days of notice from the insurance company. If you make payments exceeding your balance, your account will have a credit balance unless you request a refund. If payment cannot be made at each visit, notify the front-desk to make other arrangements.

Returned checks will be charged an additional \$25.00 fee, and must be taken care of within 30 days or will be subject to collections.

Insurance Billing

As a courtesy, we will bill your insurance for you. If the insurance company has not paid within 90 days, the bill will be your responsibility unless it was our error causing the delay; it is your responsibility to contact your insurance company with any questions as we are not able to do this on your behalf.

Missed Appointment Policy

We have set-aside the time for your appointment. In lieu of charging a fee for missed appointments, we reserve the right to dismiss any person who does not keep an appointment or cancel within 24 hours of your appointment time.

I acknowledge by signing that I understand and agree to the above. If you have any questions before signing, please ask for assistance.
